RE: New Federally Negotiated F&A Rates

Attached is the new federally negotiated facilities and administrative (F&A) rate agreement dated April 5, 2019, agreed to by UNM and the Department of Health and Human Services. This agreement is effective 7/1/19 through 6/30/21. Details of the new agreement are as follows:

- The rate for On-campus research remains at 51.5% of modified total direct costs (MTDC).

- The rates for On-campus instruction remain at 52% of MTDC and the rate for On-campus other sponsored activities (includes public service) remains at 43.5% of MTDC.

- The Off-campus rate remains capped at 26% of MTDC for all programs. Off-campus is defined as activities performed in facilities not owned by the institution and to which rent is directly allocated to the project(s) or in facilities made available (at no cost) to the program by a non-university organization. If more than 50% of a project is performed in off-campus facilities, the off-campus rate will apply to the entire project. Subcontractor, vendor and off-site data collection activities are excluded from the on/off campus rate determination.

- The rate for On-campus Department of Defense (DoD) contracts remains at 54% of MTDC. The rate for Off-campus DoD contracts remains at 29% of MTDC.

- The rate for On-campus agreements with non-federal sponsors remains at 54% of MTDC. The rate for Off-campus agreements with non-federal sponsors remains at 29% of MTDC.

- The rate for Intergovernmental Personnel Act (IPA) assignments remains at 9.75% of MTDC.

- The approved rate for miscellaneous fringe benefits is 3.51% for Leave Payouts, Tuition Waivers and Retiree Benefits.
The new F&A rate agreement will be implemented as follows:

- Effective immediately, any new proposals, newly proposed increments, supplements or new tasks that will start or extend past July 1, 2019, should use the rates in the new agreement.

- For existing awards, the current F&A rate will continue to be used for the life of the sponsored agreement. “Life” as defined by Federal OMB Uniform Guidance Appendix III 2 CFR 200 means the period of years for each competitive segment of a project approved by the funding agency at the time of the award. If negotiated rate agreements do not extend through the life of the sponsored agreement at the time of the initial award, then the negotiated F&A rate for the last year of the rate agreement will be used.
